

Order form for parking in Rotterdam

Dear guests,

You can book a parking lot up **to 14 days prior to departure** (subject to availability). Please fill in the form and send it back to us. Payment has to be made in advance after **receipt of invoice** which you will receive from us or rather your travel agency. We recommend booking in time, as the prices and availability are always available on a day-to-day basis. The price is approx. **145 € (depends on capacity)**, if the price for your requested departure will be higher, we will inform you before booking. Your booking can be cancelled without any fee up to two days prior to departure.

Please note the following comments:

1. Please complete the order form and send it back to the address mentioned below, we will make the reservation for you in cooperation with our partner agency.
2. On arrival date please drive to the pier of the ship which is mentioned in your travel documents. **15 minutes before arrival** please call the car park operator (**tel. 0031 622 372 034**) and wait for a colleague to come. Your mileage, filling of tank and possible damages on the car will be noted and you will receive a receipt. Afterwards, your car will be parked on a car park (approx. 10 km away). In case of delay, please inform the car park operator by telephone about your planned arrival time.
3. On departure day your car will already be ready for you. An employee will await you in front of your ship.
